

Irene Salum, CPA

Director

Irene has been a practicing accountant and auditor since 1989. After working at two boutique accounting firms in the Miami area, Irene joined Fuoco Group as a Director in 2010. She is Partner-in-Charge of the Miami office, and a member of the Fuoco Group Executive Committee. Irene is responsible for the peer review of all the firm's assurance work.

Irene's almost 30 years of experience as a CPA, as well as her "hands on" approach, is appreciated by clients looking for more customized financial services for their individual situation and business. Working with SEC clients over the years has provided Irene invaluable accounting experience, and a level of analytical skill and attention to detail that business owners appreciate.

Irene is old school and believes in developing a relationship with each of her clients. She prides herself on the fact that she *listens* to their problems, and is able to provide solutions. As a working CPA, a busy mother and community volunteer, Irene is aware of the demands today's business owners face on their time and resources. She works to maximize assets, minimize liabilities, and position her clients for success.
